Subject: Details for New Letter Agreements

Hi Bristow,

At George Patskan's request, I am attaching details for 5 letter agreements that we would like for Legal to prepare. For these 5 agreements, George would like to use the agreement that was used for the External Research Program SAB members as the template. He is still working on finalizing the referenced SAB charter (which will define their scope of the services); he hopes to have that finished in the next 2 weeks.

If you have questions/concerns or need any additional information, please let me know.

Thanks,
Valerie
